

Traveler's Edge Travel Insurance Agreement

Emergencies can happen when you least expect them. Traveler's Edge highly recommends that all clients purchase a travel insurance policy or travel protection plan from the travel supplier to protect the value of your vacation. Cruise lines, tour operators, hotel and other travel suppliers all charge penalties for cancellation, ranging from the deposit to no refund at all.

Keep in mind that your health insurance policy might not cover you when you travel outside the country. Travel insurance can protect you in the event of Trip Cancellation, Travel Delay, Trip Interruption, Missed Connection, Baggage Loss, Theft or Damage of Baggage, Baggage Delay, Emergency Medical & Dental Expenses and Emergency Medical Transportation.

In order for you to obtain coverage for pre-existing conditions, your policy should be purchased at time of deposit or shortly after (depending upon the terms for the insurance carrier)

Please understand that we are not registered insurance agents and cannot legally provide specific advise or information regarding insurance. We will gladly secure a quote for your vacation. If Traveler's Edge is not legally able to secure coverage on your behalf, it is our strong recommendation that you purchase a policy on your own.

I acknowledge that Traveler's Edge has recommended or offered travel insurance protection to me. Should I choose not to purchase such policy, I accept all responsibility for declining insurance coverage.
